# About Brant Park

**Brant Park is nestled in a bend on the Grand River** amid the historic communities of Brantford and the County of Brant. It is a great place to spend a weekend camping, or an afternoon enjoying sun and fun at our 1.25 acre swimming pool. Anglers can try the waters surrounding the park, or make the short trip to Whitemans Creek. Hikers and bikers can travel the many pathways through the park or pick up the S.C. Johnson Rail Trail, which links Paris and Brantford. Many canoeists stop, or stay overnight, when making a trip down the Grand River.

# Preparations

1. Present to your church board your club's plan to attend and participate in the *I AM Camporee* to be held on August 5-9, 2020. See to it that this said date is included in your church's calendar of events for 2020.
2. Be prompt in submitting your 2020 strategic plan to your pastor(s) and church board for their approval. Include a budget proposal which shows estimated income (from individual fees, fundraising, and local church subsidy) and expenses such as food, transportation, first aid kit, camping materials, etc. Don't forget to thank your pastor and church board members for their moral and financial support.
3. Promote the *I AM Camporee* to all Adventurer families, Master Guides (MGs), and Master Guide Trainees (MGTs) in your church. **(Note: Master Guides serving in Adventurer, Masterguide, & Pathfinder [AMP] Ministries are welcome to register and attend)**. Kindly place the *I AM Camporee* poster strategically on your church bulletin board.
4. Organize the following committees to be comprised of staff, parents, and other volunteers: fundraising, transportation, food service, security, first aid, camp equipment, etc.
5. Start your fundraising! Plan out how you will raise funds over the months leading up to the camporee. Check out our website for ideas.
6. Register your club as soon as possible. **(Note: Only Adventurers who will be accompanied by their parent[s] or legal guardians will be allowed to register)**. Kindly complete the registration form (in excel format) and email to [ehabaradas@adventistontario.org](mailto:ehabaradas@adventistontario.org). Don't wait for the last minute to submit your registration.
7. Check with your Pathfinder club of your church if they can possibly lend you their canopy, tents, First Aid kits, fire extinguisher, coolers, generators, etc. For safety reasons, repair or replace worn out or broken supplies.
8. All staff should have their Vulnerable Sector Screening done at the start of the Adventurer or Master Guide program year. Just see to it that all staff and volunteers who will join the camporee have complied with this requirement.
9. All campers, both young and old, should fill out the Medical Info and Liability Release form, as well as the Videography/Photography Release Record. Put them in a binder.
10. Meal times are short so you can save a lot of time and energy if you have volunteers to cook for your club. Thus, it is recommended that you organize a kitchen crew; just be mindful of other individuals with different dietary needs. Remember, volunteers need to register for camporee and pay the appropriate registration fee as well.
11. Keep your club staff and members well informed about the camporee and share information with them as you receive it. Visit [www.camporee.ca](http://www.camporee.ca) regularly for updates and sign up for the AMP eNewsletter by clicking the following link: <https://us10.list-manage.com/subscribe?u=435956f6f63dad48db2c02877&id=6efa2563e2>

12. Sit with your Adventurer or MG staff months before the camporee and discuss what they might like to do while at camp such as awards/honours, daytime activities, etc. Planning ahead of time will get your Adventurers and MGTs involved and excited about what they will be doing once they get to camporee.
13. One week before the camporee, meet with all your MG/Adv staff and Adventurer parents to finalize your packing list, club rules, and club activities/schedule for what your club plans to do at camporee.
14. Prepare a binder where you can put all camporee information for easy reference while at camporee.
15. As you plan well for camp set-up, plan also for camp takedown and clean up at the end of camporee. Kindly leave your campsite cleaner than when you first found it. Your MG or Adventurer coordinator will inspect your site first before you will be allowed to leave camp on Sunday, August 10, 2020.

# About the Guest Speaker

Hi! My name is **Rich Aguilera** and this is where you can know a little more about “The Mud Guy” behind One Mustard Seed. Travel is my favorite hobby. I’m fascinated with geography and exploring God’s unique nature in every new place I visit. Currently, I’ve traveled to 49 of the 50 US states, and 76 countries on all 6 inhabited continents. After working in architecture for 16 years, I felt a strong call to work for God full-time on youth and children’s ministries. A series of events led to the clear indication that this was the direction God was calling me: To use 100% of my creative energy for Him!!!

## Talent Search

Camporee is a great opportunity to exhibit the talents of our Adventurers and MGTs for God's glory. Thus, your help is needed in identifying gifted and talented Adventurers and MGTs from your club/church.

Each daytime and nighttime service, musical numbers will be rendered, young preachers will be featured and other unique parent-Adventurer presentations will be highlighted.

Please fill out the Talent Search form and submit it to the AMP Ministries Department of the Ontario Conference no later than **May 28, 2020**. Kindly upload also a video demo of the talent you wish to present at camporee at

<https://www.dropbox.com/request/ZsOHfSbHAFYsdBWfsBft> .

If chosen by the Program Committee, the Adventurer's parents or MGT will be notified of their performance schedule. Unless otherwise instructed, the same song or type of presentation as shown in the video demo will be presented at camporee.

## Club First Aid Team

Each church/club is required to have its own First Aid Team to deal with minor cuts and bruises, and other minor cases. (Note: A church with both ADV and MG clubs can have 1 First Aid Team only). For cases that the club's First Aid Team could not handle, the patient should be brought to the Camporee First Aid Station for medical assessment. And it will be the camporee nurse's discretion to either call 911 or simply send the patient to the nearest hospital.

## Health & Safety

At Camporee, the safety of all campers is our number 1 priority. In view of this, the following safety rules must be observed by all campers:

1. The *I AM Camporee* staff is responsible for establishing a supervised First Aid Station on the campground; this will be staffed, on a rotation basis, by volunteer medical personnel.
2. Each club is responsible for the timely and proper disposal of all garbage from the campsite.
3. Each club must follow established procedures for the disposal of gray water from the campsite.
4. Food must **NOT** be stored in the sleeping tents during the night.
5. Peanuts and/or peanut products should **NOT** be brought to Camporee in consideration of people who could have an allergic reaction to these products.

6. Ignitable materials, lighted candles, stoves, heaters or lanterns are prohibited in tents used as living quarters or unattended storage space. Any of the above equipment, while in use outside the tents, should not be left unattended.
7. All campfires will be at the discretion of the local camp authorities and will be at the designated areas only. All fires must be **totally extinguished** by dousing with water before retiring for the night.
8. **Do not Use** petroleum products for starting fires.
9. Each club should have a FIRE EXTINGUISHER (A.B.C. rated) on site. This is one of the points of consideration when your campsite is inspected.
10. **No** swimming is allowed outside of the designated area and time.
11. Hiking outside of the designated campgrounds must be supervised.

## Wristbands

All registered campers, parents, staff members' children, and 24-hour pass visitors are required to wear wristbands issued to them. Without the wristbands, no one will be allowed to enter the campsite or take part in camporee activities. **It is a MUST** that wristbands are worn **at all times** while at camp.
